ABOUT GS2600 WASHING UNIT

The GS2600 Respirator Washer is designed for light to medium volume cleaning and disinfecting applications, making it ideal for facilities requiring reliable and efficient PPE maintenance.

The unit accommodates up to 16 full-face masks or 32 half-masks per cycle and can also handle cylinders. It features a fully automated wash cycle, including a pre-wash stage with low-foaming detergent, a 10-minute disinfecting cycle, and multiple fresh water rinses to ensure thorough cleaning.

A specially programmed wash cycle eliminates excess foaming, removing the need for additional foam control chemicals and improving overall efficiency.

FEATURES & BENEFITS

- ✓ Fully automated pre-clean, disinfect and rinse cycle
- ✓ 10-minute disinfecting cycle for effective hygiene
- ✓ Special low-foam wash programme
- ✓ Automatic detergent, disinfectant and rinse agent dosing
- ✓ 100% fresh water rinse for optimal cleanliness
- ✓ Thermostatic mixing valve for low-temperature washing
- ✓ Door-activated pause safety feature
- ✓ Suitable for masks and cylinders

SPECIFICATIONS

Water Supply	3/8" inlet connection Pressure: 40-75 psi (50 psi recommended) Temperature: 110°F recommended
Drain Length	8 ft
Dimensions (L x D x H)	36" x 29" x 39"
Weight	Approx. 500 lbs

Notes: *Water usage is determined by the cycle selected.

SYSTEM INCLUDES

- ✓ Two stainless steel baskets (GS2102)
- ✓ Automatic chemical injection system (3 pumps)
- ✓ Pre-cleaning detergent (FK270-G)
- ✓ Disinfectant (FG350-G)
- ✓ Rinse agent (RP355-G)
- ✓ One-year parts and labour warranty

SAFE & EASY TO USE

A versatile, fully automated washer that pre-cleans, disinfects and rinses at the push of a button. The automatic chemical injection system ensures consistent results, while low-temperature operation helps minimise wear on PPE.

RELIABLE & COMPLIANT

Backed by a one-year warranty and compliant with ANSI, NFPA, OSHA and CSA standards. Designed to deliver effective cleaning while remaining safe for respirator face masks where immersion is permitted.
